JACQUEMUS

Jacquemus의 철학은 단순함 속에서 본질적인 아름다움을 추구하는 데 있습니다. 이를 바탕으로 UI/UX 디자인에 접근하면서, 특유의 따뜻하고 감각적인 분위기를 담아내고자 했습니다.

디자인에서는 심플함과 포근함을 조화롭게 구현하는 데 중점을 두었으며, 브랜드의 아이덴티티를 반영한 색상을 활용해 따뜻한 감성을 전달했습니다.

Jacquemus was born into a farming family in Salon-de-Provence, France, and grew up in a small village in southern France. At 18, he moved to Paris to briefly study at ESMOD, and after the sudden death of his mother, he began his career as a fashion designer. In 2010, he founded the brand 'Jacquemus,' named after his mother's maiden name, and gained attention by showcasing his collections at Paris Fashion Week. His designs are characterized by simple yet creative silhouettes and fabrics sourced from workwear, with a pop of color as a signature element. Jacquemus won the Special Jury Prize at the 2015 LVMH Prize and expanded his brand by introducing a footwear line in 2017. He later added menswear, handbags, and hats to his collections.

FRENCH CHIC

Jacquemus embodies the essence of French chic, creating styles that are both elegant and effortless. His collections reimagine minimalism with a modern twist, capturing the refined yet relaxed spirit of French fashion.
